

## TWA Seeking Franchise For Local Schedule

Service from Los Angeles Proposed To Cover Entire Area

Trans-World Airlines filed an application today in Washington, D. C., with the Civil Aeronautics Board to establish air mail, passenger and express service between Los Angeles, Fresno, Bishop, Truckee and Reno, according to C. Edmunds, manager of the Truckee chamber of commerce.

TWA, one of the "big four" domestic airlines, with western headquarters in Los Angeles, proposes daily local service to the Lake Tahoe area. Emphasis will be placed on catering to summer and winter sports enthusiasts and vacationers.

Clancy Dayhoff and Perry Taft, TWA officials, conferred with Edmunds here this week outlining the airline's plans.

Dayhoff said that the CAB, which makes decisions on airline expansion, will first have to place the project on the calendar for hearings before any further action can be taken.

According to Edmunds, the two were enthusiastic over the new airport site south of Truckee which would be close to the lake area. Sugar Bowl and Mt. Rose vacation areas.

Dayhoff said that flying time from Los Angeles would be about two hours. TWA now operates through Fresno from Los Angeles to San Francisco and the local schedule would be from Fresno north.

"Such a route as TWA proposes will open the Lake Tahoe area to all of Southern California, approximating 6,000,000 persons," Dayhoff said.

TWA now operates 28,000 miles of air routes throughout the world.

## FIRE DEPARTMENT CHECKS FIRE ON SUNDAY IN TOWN

The rapid response of the Truckee Volunteer Fire Department and other volunteers to the alarm turned in shortly after noon on Sunday, June 16, kept the blaze within the Arthur Litchberger house located on Church Street.

A. Pace, assistant fire chief, stated that the cause of the fire in the building which had been untenanted for some time, is undetermined. The fire went through a narrow strip of the downstairs wall but demolished the attic. The roof and ceiling were badly burned and damage was also caused by water used to control and confine the blaze.

## Tahoe Write-Ins Okehd For November Election

AUBURN—District Attorney C. E. Tindall of Placer county has notified County Clerk Lillian Rechenmacher that Thomas Doherty of Kings Beach and C. W. Vernon of Tahoe City have earned the right to have their names appear on the November general election ballot in the race for justice of the peace for Township 11 which includes the Lake Tahoe portion of the county. They ran first and second in a write-in campaign against Carl Becholdt, only person to file for the office. Miss Rechenmacher had requested the opinion from Tindall to settle a question of legality of the write-in campaigns of the two men.

## Fire Danger Is Serious States Forest Service

### Two Forest Blazes Fought By Crews During Past Week

Dangerous fire weather is upon us and it is going to become moreso, so safety with fire in the forest is an important must if we are to save our forests, Tahoe National Forest officers warned this week.

The local Forest Service fire suppression crews were called out on Monday night to suppress a fire above Railroad Tunnel 13 four miles west of Truckee, according to Fire Control Assistant F. R. Throop. The crews had to fight their way through thick brush over the ridge above Andover to the fire they found burning in brush and fallen logs. Quick action confined the fire to a small area. The blaze was reported by C. H. Hixon of Donner Lake whose prompt reporting saved many acres of valuable watershed from destruction. Cause of the fire has not been determined but the use of a prohibited tracer bullet is suspected.

A second fire was spotted Tuesday morning burning in a partially rotted pine along Cold Creek. Someone had left a camp fire burning inside the base of the tree without extinguishing it. If this fire had not been detected and put out, it could have spread and caused considerable damage.

## LITTLE NAMED HEAD OF TRUCKEE LIONS AT WEEKLY MEETING

R. N. Little, Truckee realtor, was elected to head the Truckee Lions Club during the coming year at the meeting held last night, succeeding C. B. White, who has successfully guided the destinies of the club through the past year.

Other officers elected are A. Pace, first vice president; W. C. Gage, second vice president; Don Hansen, tallwister; W. Englehart, Sr., secretary; Allan Pollitt, Lion tamer.

Stanley Martin and B. W. Reynolds were named directors for terms of one year and A. M. Anderson and E. L. Loynd are the two-year directors.

The nominating committee comprised A. P. Leitch, F. W. Gaiennie, C. Edmunds, W. M. Barrett and H. T. Langille and their recommendations were accepted by the club.

Preceding the meeting the club members enjoyed listening to the Louis-Conn fight. C. B. White presided.

## Service Officer Due Here At Vets' Hall Tomorrow

Walter N. McCormack, Nevada County service officer, will be in Truckee tomorrow, Friday, June 21, for consultation with local veterans on their problems. McCormack, with his assistant, Mrs. Carol D. Morton, will establish an office in the Veterans' Memorial Building which will be open from 9 AM to 5 PM.

McCormack states that any veteran who has a problem which he wishes cleared up between regular visits to Truckee should write him at 111 South Auburn Street, Grass Valley.

## Youthful Car Thief Is Taken By U. S. Marshal

George Hubbard, Jr., 15 year old Oakland Negro, who was arrested in Truckee a week ago by Patrolman William Gautsche on a charge of stealing a car belonging to John W. Shirley while the latter was visiting in Reno, was taken into custody by the United States marshal from Sacramento.

James Dyke, 18, another Negro who was hitch hiking with Hubbard was released. Both had been held in the county jail.

To City on Business—Jim Garibaldi was a business visitor in San Francisco this week.

## Beams

By WALTER M. BARRETT

With the increasing population and the large number of summer guests in Truckee and Tahoe the need for a modern, fully equipped, efficiently staffed hospital is more and more apparent. Hopes for its eventual construction are brighter as time goes by. The committee, comprising members from every civic organization in town, is earnestly working to secure the necessary assistance from the state and county. Supervisor H. G. Loehr is strongly backing the plan and all indications are favorable. The matter of costs, operation and other details are being studied by the committee and it is desired that within the coming summer details can be presented in full for public and official approval.

Summer will not be officially ushered in until Saturday, but already the facilities of the entire region are being taxed for accommodations despite the many new and enlarged hotels, resorts and motels. Visitors can always find accommodations if they make the necessary reservations, but without reservations, it is often difficult to locate a place to stop. Those planning to visit the region are urged to give advanced notice or they are likely to be disappointed.

We firmly believe that a driver of a motor vehicle found guilty of driving while intoxicated should not only be severely punished, regardless of whether or not he has an accident as a result of his condition, but should permanently lose his right to operate a vehicle on the highways.

## Many Visitors Attend Rebekah Special Meet

Mrs. Nelle Gartin, president of the Rebekah Assembly, paid her official visit to Naomi Rebekah Lodge No. 2 at a special meeting held on Wednesday evening. The grand master of IOOF and many other distinguished guests were also present. Winifred Kamp and Dolly Brunk favored with piano duets.

About 40 persons enjoyed the Italian dinner at Moros Star Hotel before the meeting. Coffee and cookies were served at the close of the evening.

## Al Bradshaw To Attend Sportsmen's Meetings

Mr. and Mrs. Al Bradshaw plan to attend the Associated Sportsmen meeting to be held in Chico on Sunday, June 23. After a few days in that region, the Bradshaws will go to San Francisco where Bradshaw will attend the state fish and game commission meeting to be held on June 27, 28 and 29.

## North Tahoe Minister To Move to Oregon

NORTH TAHOE—Mrs. Harry Krueger and two daughters will leave this week for Medford, Oregon where they plan to reside. Krueger will join his family within the week. Mr. and Mrs. Krueger, ordained ministers, had been conducting Sunday School services at the Kings Beach Elementary School. Robert Murray superintendent of the Sunday School will occupy the position left vacant by Krueger.

Other officers of the Sunday school are Mrs. Dorrie Dickow, assistant superintendent; Alice Ballard, secretary; Mr. Dickow, treasurer; Mesdames Gilbert Ballard, Carroll Rapier and Mulford Miles, building committee.

A large sum of money has been raised for a church in Kings Beach. Contributions are gratefully received.

A name has been voted, the church to be known as Chapel of the Pines. Services are undenominational and everyone is invited to attend. Sunday School is open to all age groups.

## On Flying Trip—

Mr. and Mrs. Jack Crist have returned from a visit with relatives in Redding. They chartered a plane from Reno for the trip up and flew from Redding to the Truckee landing strip on return.

Payen to Nevada—E. E. Payen of Folsom has returned to this district for the summer with headquarters at Verdi, Nevada.

At Bijou—Mr. and Mrs. M. T. McCallan and daughter, Elaine, are at their cottage at Bijou, Lake Tahoe.

## Miss Hecker Tops Primary Balloting In Nevada County

### Dolley Total Listed As 309 Following Official Canvass

NEVADA CITY—An official canvass of the Primary Election vote of June 4th showed that Miss Elma Hecker, county treasurer and tax collector, received the highest vote cast for any candidate. Miss Hecker received 4,787 votes to top Coroner Alvah Hooper's 4,773.

Other totals for unopposed Nevada county officials were Phil Scadden, assessor, 4,692; John E. Nettell, recorder, 4,686; Joseph O'Connor, surveyor, 4,507; T. A. Kohler, public administrator, 4,488; Walter Carlson, superintendent of schools, 4,390; R. N. McCormack, county clerk, 4,381.

Constable N. F. Dolley of Meadow Lake Township polled 309 votes and Douglas Barrett received 26 write-in votes to be elected to the Republican County Central Committee from the 5th district.

## LEGION PLANNING DANCE HERE ON NIGHT OF JULY 6TH

## Truckee Traffic Second Heaviest Into California

### 69,707 Persons Go Through Quarantine Station During May

Truckee jumped into second place in border cities for the number of vehicles entering California during May, according to a summary by A. A. Brock, director of the state department of agriculture, which maintains quarantine stations along the state line.

There were 21,570 cars, less trucks, local vehicles and stages entered California through Truckee during the month. Yermo was in first place with 23,489, Blythe third with 18,890 and Daggett fourth with 12,865.

Truckee's figure represented an increase of 4,107 over the April total.

There were 9,578 foreign cars and 1,444 trucks entering the state through Truckee during May.

It is estimated that 52,845 passengers occupied the cars which came through here during the month while the 710 buses carried 16,862 passengers for a grand total of 69,707 persons.

Opening for the season on May 10, the Brockway, Lake Tahoe, station cleared 972 cars, 458 trucks and 35 stages. Total passengers through there were estimated to be 2,528. At Stateline, on the south end of the lake, 3,361 cars with 8,235 passengers and 18 stages with 116 passengers were passed into the state.

## FOUR ARE INJURED IN AUTO WRECKS ON LOCAL ROADS

Four people were injured, one of them seriously, in two motor vehicle collisions near here during the past week.

Mrs. Wanda Matteson, 18, of Reno was taken to the Washoe hospital Sunday night with serious injuries when cars driven by her husband, James R. Matteson, 23, and J. A. Waggoner, 70, Broderick, collided headon near Floriston. Matteson was cited by State Patrolman H. B. Fowler for driving on the wrong side of the highway. Waggoner suffered only minor injuries.

In a collision near Donner Lake on Sunday, Robert L. Warrell, 23, San Francisco, was cited by Fowler when he cut across the highway, forcing Clarence Robertson, 53, San Francisco, to leave the highway where his car struck a pole. Mrs. Robertson, 41, and Mrs. Anna Hurtle, 45, passengers in the Robertson car, were injured and were treated by Dr. J. H. Bernard of Truckee.

## Tahoe Man Fined For Cutting Fence Posts

The chopping down and using of public campground fence posts for firewood proved expensive to M. E. Moore of Tahoe City who was fined \$5 and directed by Judge E. W. Bliss of Tahoe to replace the posts.

Moore was cited by Fred White forest service officer, after several posts were found missing and were traced to Moore's camp stove.

The willful opening, tearing down or otherwise destroying any fence on the enclosed land of another is in violation of Penal Code 602, paragraph H.

## Prosser Project Scheduled Cost Is \$13,000,000

Project Would Lower Tahoe By Over Foot Say Engineers

U. S. Army Engineers have revealed plans to drain 1.1 feet of water from Lake Tahoe into a new reservoir to be constructed on Prosser Creek to coordinate flood control and water conservation on Truckee River. The project would prevent flood damage which has been intermittent on the river during the past 45 years, make more stable the flow of water to Nevada irrigation areas and have a potential power capacity of 5000 kilowatts.

Cost of the project, including channel improvement on Truckee River near Reno, would be \$13,000,000. Preliminary surveys are now under way diamond drills are now at work and test holes being bored to determine the characteristics of the area. The plans will go to the chief of the army engineers and, if approved, be submitted to Congress.

The new reservoir would be situated on Prosser Creek near the site where a small dam once stood to form an ice pond for refrigerating Southern Pacific cars. It would impound 134,000 acre feet of water diverted from the river at the western limit of Truckee, taken by a nine foot pipe through town and then by a short tunnel through the reservoir rim in to Prosser Canyon.

Through drainage from Lake Tahoe at the present control point near Tahoe City, the top 1.1 feet of the lake's surface would be removed and the level of the lake stabilized. Thus the shore line piers would be saved from high water and the value of the lake for recreational purposes improved. A weir would be installed to insure that the lake could not be drained below 6223.3 feet.

The present lake maximum level is 6229.1 feet and the proposed maximum under the project would be 6228. The present level was set in 1915 as the result of a decree which in granting the federal government a perpetual easement to the outlet set the level to which water could be stored.

The case arose in 1902 when the Newlands irrigation project at Fallon, Nev., was started. The Truckee General Electric Company, predecessor to Sierra Pacific Power Company, had regulatory water rights at the time and the federal government entered a condemnation suit adjudicated in the 1915 decree.

Tahoe, containing 123,000 acre feet of water per foot of depth and covering 195 square miles of water surface, is one of the largest natural reservoirs in the country. The six top feet, containing 738,000 acre feet, is considered reservoir.

The lake's outlet, Truckee River irrigates 35,000 acres in the Truckee River basin in Nevada and in addition land around Carson Sink and Fernley Bench where 56,000 acres get part of their water supply.

The proposed Prosser Creek project would be coordinated with Boca reservoir and Donner Lake. The Fleish power plant and other existing power facilities would be benefited from Truckee to Iceland and the flood peaks reduced.

### LAKE TAHOE CHURCH GROUP PLANS TO MEET ON JUNE 25TH

Tahoe Vista, Calif.  
June 20th, 1946

Editor, Sierra Sun,  
Truckee, Calif.  
Dear Sir:

On Tuesday evening, May 28th, 1946, the Sunday School meeting every Sunday morning at 9:45 and Church service at 11:00 AM and conducted by Mr. and Mrs. Krueger in the Kings Beach school house, met at the home of Mr. and Mrs. Dickow of Kings Beach for their first meeting. Mr. Dickow opened the meeting with prayer. Mrs. Krueger then read scriptures from 2nd Timothy and gave a short talk based on some quotations for the Ideals and Standards of Christian living and teaching. An election of officers followed and Mr. Murray was elected Sunday School Superintendent; Mrs. Dickow, assistant Sunday School Superintendent; Mrs. E. Ballard, secretary, and Mr. Dickow, treasurer. A building fund committee was appointed consisting of Mrs. Rapier and Mrs. G. Ballard of Warm Springs Beach and Mrs. Miles of Kings Beach. Many important issues were discussed and it was voted to change the name from "Kings Beach Community Sunday School" to "Chapel in the Pines at North Tahoe". The next business meeting will be held on Tuesday, June 25th, 1946, at the home of

### NEVADA COUNTY'S RELIEF COST HALF OF YEAR'S BUDGET

Nevada county's aid and welfare budget of \$324,821 was 49 per cent of its \$659,487 budget for the present fiscal year, 1945-46, California Taxpayers' association says, discussing budget trends in California counties. Aid to the needy aged set up at \$285,982, was the largest item in the county's welfare and aid budget.

For April 1946, the tenth month of the present fiscal year and the latest for which statewide data are available, 520 persons were receiving aid as needy aged in the county, 17 were receiving aid as needy blind, 60 children were on the aid to dependent children and 84 were on general county relief.

For July, 1945, the first month of the current fiscal year, 502 people in the county were receiving aid as needy aged, 16 as needy blind, 58 as dependent children and 29 were on general county relief.

The little dabs of feather and veiling our women call hats add up to a \$250,000,000 a year retail business.

Mr. and Mrs. G. Ballard of Warm Springs Beach. When the meeting adjourned, Mrs. Dickow served delicious refreshments enjoyed by all.

Don't take a vacation from God—stop in if only for a short visit any Sunday between 9:45 AM and 12:00 Noon at the Kings Beach school house and enjoy the Christian fellowship this undenominational group has to offer. Everyone is needed—everyone is welcome.

Respectfully, Mrs. Earl Ballard, Secretary, Chapel in the Pines Sunday School.

It pays to advertise.

NO VAPOR-LOCK to mar your trip . . . It's

## AROTANE FOR ACTION

DUAL OCTANE QUALITY GASOLINE

\* Some of your finest pleasure trips will take you through desert and mountain country, where vapor-lock is most likely to strike. Vapor-lock occurs when "wild" gaseous fractions in gasoline vaporize in the fuel line. Back pressure is created which blocks the flow of gasoline to the carburetor. The engine stalls and cannot be restarted until the vapor cools and becomes liquid again.

These overly volatile elements that cause vapor-lock are not present in AROTANE. Associated's record-size fluid catalytic crack-

ing unit makes possible volume production of high octane gasoline components with correct volatility characteristics. It makes unnecessary the inclusion of elements either too heavy or too light for perfect performance under all conditions.

AROTANE's Dual Octane Quality and controlled volatility eliminate vapor-lock, and give you instant starting, full and uniform power, smooth, fast acceleration at all speeds, and long mileage. Yet AROTANE costs you no more than other premium gasolines—at Friendly Associated Dealers.

## What a bank owes a borrower

Increasingly, individuals are following the long-established business practice of borrowing from banks. They are learning what businessmen have long known: that a bank provides dependable financial help at minimum cost.

This trend has imposed an added responsibility upon bankers. Your banker realizes that a personal, home or business loan may be the most important business transaction in your life—the outlet for a dream, a hope, a plan.

Bank of America—like other banks—welcomes the opportunity to take this larger part in the affairs of Californians and wishes to review its obligations to these men and women.

This bank will continue to fit its loans to as many needs as possible. When new conditions or situations arise, Bank of America will develop loan plans to meet them.

This bank will maintain loan rates as low as sound business practice will permit. The bank will never forget that its first aim was to build a bank for all the people.

Bank of America will continue to extend its complete facilities to even the smallest of California communities, so that "big city" banking service is not reserved for big cities alone.

### Misfortune Hits Family Of Tahoeite Once More

TAHOE CITY—Mr. and Mrs. Floyd Carnell returned from Beverly Hills on Saturday after attending the funeral of her mother, Mrs. Charles Kreuger. Fate had another jolt for them for on Wednesday her father was driving his car when a woman crashed her car into him, throwing him out and sending his driverless car on for another 500 feet where it crashed against a telephone pole and was demolished. For hours he was

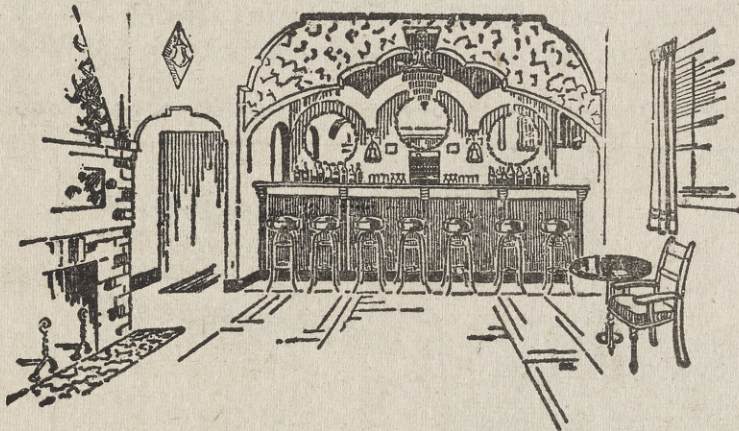

unconscious in the hospital with possible concussion. Since no word has come from her relatives in south, Mrs. Carnell is hopeful at this writing her father is on the road to recovery. To add a last straw to the confusion, Mrs. Carnell's brother LaMarr twisted his foot and sprained his ankle. Carnell's son, Howard, is still limping with two broken toes acquired while playing soccer at Tahoe. He has been granted a leave of absence from school until August 2 as his tonsils will have been removed by that time.

Mr. and Mrs. Byron Compton and their daughters, Barbara and Roberta of Reno, Henry Compton of Los Angeles and Mr. and Mrs. Harvey Gessell of Kings Beach were Sunday visitors at the Fred Baker home in Tahoe Vista.

Mrs. A. M. Henry and son, Al, attended the Shell Oil Company dinner and dealers meeting Thursday evening last at the El Cortez Hotel in Reno.

### TAHOE BRIEFS

Hans Hansen, formerly of Rubicon Lodge, last week shipped his furniture to his new home at Half Moon Bay. He plans to return again this summer to Tahoe to visit his many friends in the region.

Newlywed Mr. and Mrs. Albert Boge last week attended the 50th wedding celebration of his parents, Mr. and Mrs. J. Boge in San Francisco. Dinner was enjoyed at the Palace Hotel followed by a reception at the home of their daughter and son in law, Mr. and Mrs. Val Koenick. The entire party wound up the evening's entertainment at the Ice Follies.

Mr. and Mrs. Victor Wikander visited briefly at the Charles Swanson home on Saturday, en route into their unique summer camp on Buck Lake in Rubicon River country where they vacation both in the summer and winter.

Mrs. Lee Druhn of Sunnyside received a long distance call on Sunday, her birthday, from former Tahoeite Miss Bertha Krueger who called from Sturgis, Mich., to deliver her congratulatory greetings in person.

Bill Larsen of San Francisco was a recent guest at the Henry Solls Tahoe Pines home.

FOREST HILL—Supervisor Jack McFadden was confined to the Mercy Hospital in Sacramento last week where he recently underwent an operation. The official, who represents part of Lake Tahoe of the board, was last reported progressing nicely.

# Tahoe Letter

From SWANEE

Tahoe City, California.  
June 17th, 1946

Dear Tahoeites—  
Write you this week on Monday morning as the birds twitter gaily in the tops of the sunny pines. Good weather is still with us, although today is not as warm as yesterday. Yesterday was Father's Day and

most of the dads in the Tahoe area received their due homage. At our house we combined a dinner honoring Pop Swanson and our neighbor, Mrs. Lee Druhn, who enjoyed another birthday. Her husband and daughter, Marie, were also present. Some lovely gifts were received by both honorees.

Visited my old friend, Mrs. Elizabeth Walker, down Truckee River way on Saturday and brought Marie home for the holiday. Also learned that her neighbor, Dr. Clark Burnham, Sr., recently retired, his wife, her brother, their two daughters, Barbara and Beverly, and Dr. Walter Collins, who served as a dentist with the army in India during the war, are

all up at the Burnham summer home on the hill above the bridge for a vacation. Dr. Collins will be on his way within a few days to Camp Beale to receive his discharge. While there I also noted eight lovely trout, loch leven and rainbow, resting temptingly in the Walker refrigerator, caretaker John Franklin the lucky fisherman.

Arriving home on Saturday, just in time to attend the Girl Scout bazaar on the commons, was Dick Hinkle, sea marine, who is home on 30 days furlough. His ship, the USS Lejune anchored off Norfolk, Va., has been ferrying home returning GI's, but is now undergoing conversion. Dick looks grand and is reported some 30 pounds heavier than when he left Tahoe.

Charles Henrikson, son of the Harry Henriksons of Lake Forest has been having a bit of tough luck lately and is off work for some days to come. His doctor says he is the victim of rheumatic fever and must take things easy. His unexpected illness may change the summer plans of a possible wedding date with his fiancée, Miss Eunice Duffee, also of Lake Forest.

Discovered today, after being asleep at the switch, that Tahoe's Pete Vanni is back at the lake for the summer and is working at Carl Bechdolt's Standard station in town. He was a member of the 10th Mountain Infantry and saw duty in Italy.

Mrs. Lee Druhn had one special paper to file among her war souvenirs during her husband's absence overseas of which she is especially proud. It is a commendation written by former PFC Druhn's commanding officer complimenting his experienced judgement and exceptional service which "were responsible for the perfect set-ups and functioning of the electric lighting and power facilities of the 12 command post sites occupied by this headquarters during his period of service". Druhn spent 18 months overseas and saw service in New Guinea, East Indies, Leyte, Morotei, Luzon, Corregidor and Japan. One of his most prized possessions is a bamboo case of arrows from the midge natives of the Philippines who used them to excellent advantage against the Japs.

Received a grand three page letter last week from Mrs. Alice Sigurdsson of Iceland, the former Alice Soll. She reads her Sierra Sun religiously every week and says she would "be lost without them". She reports her husband, whom I met at the time of their marriage here, is a Sun fan too, and usually manages to beat her to the paper every week to read our Tahoe news. He met many of the local residents during his brief visit in our midst and with his wife enjoys keeping up with them. Alice says the summer days are just ahead but she can never get used to the long, days of Iceland during the middle of summer the sun shines night and day. She does a great deal of riding now and enjoys the novel little Icelandic ponies, a good one having five gaits. Alice finds her most difficult problem is learning the language which is similar to the original Norse. The

history of the country can be found in the numerous Sagas which are still taught in Icelandic schools. All of her husband's people are musical and nearly everyone plays an instrument. She and Ali are having trouble the same as Americans, in finding an apartment, and are hoping the new group to be built this summer will produce new living quarters for them. They send a cheery hello to all their Tahoe friends.

Was happy to welcome Bob Fox the other day who is back at Tahoe for a vacation prior to entering University of Southern California for the next semester.

Had another letter from son Jimmie in Germany. He sent home some garnd pictures of himself, which pleased me no end. He is still paying for his poor judgement in putting down the top of the car in which he rode out into the country recently as his eyes, in bad shape from flying pollen and sunburn, seem to defy medicines and remain in bad shape. He's wearing aviator's goggles and taking various medicines but is still restricted in his reading and writing.

Really enjoyed my turkey dinner at Chambers' Lodge last week when the Tahoe Sierra Association held their annual get together. Met Burton Frasher, Pomona photographer, whose beautiful picture postcards I have been admiring these many years. Met Brookling Tatum of Fallen Leaf whose exquisite color photos of the Tahoe region are the loveliest I've seen. Had a promise of \$60 on our district's quota for the new Remington resuscitator—\$50 from Dave Chambers and \$10 from Theodore Schleuter. Four of these will be purchased, one each for the south, north, east and west sides of Tahoe. Described by Dr. C. B. Pedersen as having positive and negative pressure, simulating normal respiration, the cost of one machine, complete with two oxygen tanks and two spare tanks, is \$425.

Dogs are man's best friends and three of them have a reader interest this week. Hans, beloved 12 year old dachshund of the Henry Solls, is no more. Old age and infirmities made it necessary to dispose of him and in his place is Hans, Jr., of similar breed and long of pedigree but only five weeks old. Then there was the little fox terrier, Napoleon, who led a carefree, happy life at the home of his owners, the Bill LaMarrs, on the Truckee River, until one day last week a neighbor's dog stole into their yard and strangled little Nappy. Third canine worthy of mention is Mister who holds a lieutenant's rating in Dogs for Defense. He is a pet of Dave Chambers and has his dog tags star and blanket. He was a mascot throughout the war. He will now spend his remaining years at Chambers' where he is a favorite of all. His great-great-grandfather, Muggins, once saved a child's life at Brockway in 1913. Mister is from a long line of pedigreed bull dogs.

Leave you for another week and trust this finds you all right in the pink and sitting on top of the world. Good luck, good health and good fortune to you all, as ever, Swanee.

Mrs. A. M. Henry, chairman of the clothing collection and money and food drive for foreign relief, reports very light response in the lake area. Contributions, no matter how small, are welcome.

## DAIRY PRODUCTS GIVE YOU MORE FOR YOUR FOOD DOLLAR!

"HOW CAN I FEED MY FAMILY PROPERLY and still keep within my budget?" is the biggest question facing most housewives... not once in a while, but all the time!

One simple, basic answer to that question is, "Use more dairy foods."

Dairy foods supply the minerals, vitamins, proteins and carbohydrates in the well-balanced proportions you need for health, growth and vigor. They are the richest food source of calcium, needed for strong bones, beautiful teeth, clear complexions.

From the standpoint of nutritional values, dairy products are your most economical foods. At twice the price, they would still be your best "food buys."

Tahoe Lake School Column

Mr. and Mrs. E. H. Pomin of Tahoe Park on Tuesday night of last week attended graduation exercises at Lake Valley school at the south end of Lake Tahoe where their grandson, Stanley Pomin Jr., graduated with highest honors. He is just thirteen.

Mrs. Norma McIntyre will hold graduation for her five graduates from the eighth grade of Tahoe Lake School on Friday, June 21, at 8:00 PM in the school auditorium. The program will be simple and brief. R. J. Reeves of the county school office at Auburn will speak and Mrs. Northrup Pomin, clerk of the local school board, has been invited to present the diplomas. Graduates include Judy Rost, Beulah Frey, Jimmie Morhain, Howard Carnell and Robert Dockham.

District Superintendent H. E. Chastain visited at Tahoe schools on Friday and Saturday last.

On Friday last the entire class of Mrs. McIntyre's room enjoyed a hike to the wharf on the commons where they ate lunch.

Mr. and Mrs. Jake Stuart, with sons Ned and Jay, attended the graduation exercises in Auburn on June 7th when their daughter Pegge was a member of the large class receiving diplomas. While there they were guests of the B. A. Peters family who live near Auburn.

## Girl Scouts Bazaar Is Enjoyed at Lake Beach

TAHOE CITY— Mrs. William Boorman, leader of the Tahoe Girl Scouts, reports a total of \$150 taken in from the bazaar and beach party held last Saturday on the Tahoe Commons. Despite expenses of the affair, uniforms and needed accessories were provided for all 17 scout members of the group and a balance of \$15 remains on hand for furnishings for the hut in town.

Coolness of the day prevented better attendance during the day although a good crowd was on hand for the evening. Mrs. Jessie Firpo and Mrs. Beccy Shontz were lucky winners of the two turkeys.

Most popular item made by the scouts for sale was their candy, which disappeared in no time at all. Bingo was enjoyed at a table on the commons and the fish pond yielded both useful and comical gifts.

A weiner roast and song fest followed in the evening around the campfire and Chester Langenstein entertained on his banjo. It was a most successful affair and the scouts hope to hold another before the summer season has passed.

On Thursday last the entire troop enjoyed dinner at the scout hut in town where their leader prepared a tasty repast following an afternoon of games and projects.

## Doctor Pedersen Returns To Practice At Tavern

TAHOE CITY— The many friends of Dr. C. B. Pedersen, who has summered at Tahoe Tavern for many years and former Tahoe Tavern physician, will be pleased to learn that he is resuming practice at his former Tavern office. Office hours are from 9:30 to 11:30 AM, 1:30 to 3:30 PM, 8:00 to 9:00 PM and by appointment. Dr. Pedersen, former colonel in the army medical corps, recently sold his lovely home in Tahoe Park and wintered at Auburn with his wife and daughter, Miette.

Dr. Pedersen rendered medical services to Barbara Skochko of Kings Beach who was injured early Sunday morning when the car in which she was riding skidded on the soft shoulder of the highway. She received painful cuts and bruises on her legs.

He was called Sunday night to the M. A. Lopes home in Timberland where he treated Mrs. Lindberg, the nurse of Mrs. Lopes, for a minor illness.

## NEWHALL ESTATE SOLD TO PAIR FOR NEW HOME TRACT

TAHOE CITY— Irving Williams of Bakersfield and Fred A. Kilner, for 20 years a Tahoe real estate broker, have purchased the famous old Newhall estate comprising 360 acres of choice land between Meeks Bay and Emerald Bay. The property has almost a mile of lake frontage with several thousand feet of fine white sandy beach and a fine stand of fir and pine trees.

The new owners are having Gardner Brothers of Reno build new roads and improve the present ones as the tract is being laid out as a subdivision of choice lakeshore homesites. No lots are now for sale but it will be ready to be placed on the market when the surveying, map filing and other details are completed this summer, probably in August.

Quentin Brewer, Auburn surveyor, is handling the engineering and he and his crew are occupying the cottage on the estate.

A new 280 foot wharf, one of the finest on the lake, has just been completed by Norman Mayfield, Tahoe City contractor.

Water for the tract will be supplied from Lonely Gulch, where a fine dam and pipe line are already in and a water supply sufficient to serve Tahoe City is constantly available.

It is unlikely, because of the scarcity of building materials, that any homes will be erected this fall but next summer should see the beginnings of one of Tahoe's most beautiful residential districts.

The tract, which will be known as Rubicon Properties, was first owned by George Tallant, after whom the Tallant Lakes were named, some 40 years ago. About 25 years ago the Newhalls acquired the property and erected the three story building which contains nine rooms plus servants' quarters, outbuildings and boat houses.

## Al Henry Honored at Birthday Surprise Fete

TAHOE CITY— On Tuesday evening of last week Al Henry, Jr., was called after dark for gas to a customer. He turned on the lights and a chorus of "Happy Birthday" greeted him. A group of his neighbors were waiting to help him celebrate. The rugs were rolled up and music was provided for modern and old fashioned dancing favorites. Refreshments at midnight centered about a beautiful large pink and white birthday cake made and presented by Mrs. Carl Wheat.

Those who shared the evening's activities were Messrs. and Mesdames Robert Pomin, Jay Shontz, Carl Bechdolt Jr., Bill Bechdolt, Kenneth Dubber, Howard Mahurin and son Douglas, Douglas Smith, George Peterson of Alameda and CWO Phil Asai, Gene Rogers, Bob Fox, Jack Starratt and Misses Florence Vernon, Kay Starratt and Bette Wheat and the honoree, his wife and children, Gary and Karen, and the Senior Henrys, hosts of the evening.

## Women's Club Committee Meets to Report July 2nd

TAHOE CITY— Mrs. Irene Duffee, Mrs. Vera Frazier and Mrs. Eleanor Swanson, members of a special committee for the Women's Club of Tahoe by-law revision, met at the home of Mrs. Lurene Mahurin in Tahoe City on last Thursday. Mrs. Mahurin, secretary of the club, will present the new recommendations at the next business meeting of the club on Tuesday, July 2, as regular meeting date falls on July 4. Club members will meet on June 20 at 1:00 PM at the local community center hall for the annual luncheon honoring outgoing and incoming officers. Mrs. Sam Goss is chairman of the luncheon committee.

## TAHOE BRIEFS

The lake level on Monday morning stood at 6228.79 with only 19 CSF of water leaving the gates in town. The coldest day of the past week was on the 15th with 32 registered and the warmest was on the 12th with 70.

Mrs. Elizabeth Worden of Tahoe Park is reported in poor health this week.

Mr. and Mrs. Clarence Wall and son Fred of San Anselmo are guests of the Jake Stuarts of Lake Forest, Wall, who is employed by the Rotary Oil Company is among those seeking a house in which to live this summer.

Mr. and Mrs. Duff Dean entertained over the weekend their son and his wife, Mr. and Mrs. Wallace Dean, and Mr. and Mrs. John Russell of Los Altos. John and Wallace both fly Pan American Constellation planes, the latter having left San Francisco on Tuesday noon, made a stop in Los Angeles, spent a day in Honolulu, stopped in Los Angeles on the return trip, hit San Francisco and was at Tahoe on vacation by midnight Thursday.

In for the weekend at their Lake Forest homes were Mr. and Mrs. Eli Frankovitch and Elmer Whitty and family of Reno. Mr. and Mrs. James Frazier and little daughter, Linda, spent the weekend at the home of his parents, the Ray Fraziers. They are now residing in Auburn, with Jim working at McClelland Field near Sacramento but plans of the family call for their return to the lake for the summer season within a short time.

Mrs. Robert Ahnstrom, the former Margaret Luhrs, and husband of Fallon are spending a vacation at Tahoe. Her aunt, Mrs. C. W. Atherton, also of Fallon visited briefly at the lake last week looking after her property in Bittencourt Tract.

Mr. and Mrs. George Peterson of Alameda left Wednesday for home following a ten day visit with the A. M. Henrys.

Mr. and Mrs. Ed Sabonge of Sacramento enjoyed a few days at Tahoe last week, visitors at the home of her dad, J. E. Pomin of Idlewild.

Dr. George Hinkle of University of California at Berkeley is enjoying a few days vacation at home with his family between semesters.

Mrs. James Mandeville of Kings Beach will be in charge of registration during the Red Cross Water Program to be staged in that area on July 15th for two weeks. Andrew Hardin of Hollister High School will be swimming instructor. Classes start for children and adults at Tahoe City on July 1st and will transfer to Kings Beach on the 15th. All are invited to attend, instruction free.

Mrs. M. C. Milton of Oakland was in at her summer home in Sunnyside last week preparing the house for the family's incoming at vacation time.

Mr. and Mrs. M. A. Lopes of San Leandro are now vacationing at their summer cottage in Timberland Tract. Accompanying them this year is a nurse who is attending Mrs. Lopes who is recuperating from a serious operation. Their son, Melvin, his wife and baby are now visiting with them from San Leandro.

Mrs. Lee Druhn recently received a letter from the Charles Arments, former residents of Tahoe Park forest service camp. Arment has been stationed for more than a month at Yreka, where he is now a full fledged ranger, while his wife and little daughter, Jackie, have been waiting in Susanville while he finds a home in which to live. Recently Barbara went to Norfolk to attend a party and planned to stay two days. But her visit was extended forcibly when she contracted red measles and was forced to remain a week instead. A house in Yreka has now been located and she and Jackie will join Arment in the very near future.

Mrs. Martin Jorgensen of Tuolumne and mother of Mrs. Bessie Dockham of the Tahoe Fish Hatchery is enjoying her first visit at the home of her daughter.

## Wedding at Tahoe

TAHOE CITY— Justice of the Peace Evelyn Bliss performed another marriage on Saturday night at 8:15 PM at her home in Tahoe City. Principals in the wedding were Merrill Marcella Smith and James Edward Dyer, Jr., whose witnesses were Mr. and Mrs. Wallace Hyde. The entire party was from Sacramento. Part of their honeymoon was spent at Brockway where they had reservations.

Constable At Tahoe Busy As Summer Season Starts

TAHOE CITY— Constable Harry Johanson is finding himself going around in circles as the summer season gets off to a lively start. Latest on the blotter is the theft of Henry Tiedeman's car from Chambers' Lodge where he is caretaker. Identity of the thieves is believed known although no trace has yet been found of the 1937 Plymouth sedan. Patrolman Ben Hepper assisted Johanson in the investigation.

Mrs. Mary Serr, the woman taken by Constable Johanson to the Placer County hospital in a drugged condition, died in Auburn Sunday without regaining consciousness. An autopsy on Monday is expected to reveal the cause of death.

She had been found at Tahoe on Thursday night. Sheriff E. J. Kenison established her identity as the estranged wife of a former San Francisco army officer.

Yuba High School Band Has Concerts At Lake

TAHOE CITY— A party of 38 from the Yuba City Union High School, including chaperone, leader and driver who accompanied the school's band on a weekend concert tour of the lake, were guests at the Duff Dean's Tahoe Lakeside Cabins over Saturday and Sunday. They played at Meeks Bay on Sunday afternoon and on Sunday at 5 PM entertained on the Tahoe Commons.

Attired in snappy brown and white uniforms the group made a very pleasing sight, their leader, J. W. McRae, directing them through some to see the EvenKv-tsurveroETAOI well played numbers. They brought their equipment along in a jeep-pulled trailer and all enjoyed their brief vacation jaunt. It was regrettable that they did not have more advance publicity as a large crowd would have been on hand to appreciate their offerings.

MY PLACE in the SUN

by DOUG BARRETT

Was going thru the files of the Truckee Republican for 1926—20 years ago—and picked up the June 17 issue as most closely corresponding to today's paper. The editor at the time was C. Edmunds, long since manager of the Truckee Public Utility....Big news of the week was the driving of the gold and silver spikes on the Lake Tahoe spur of the SP with Gov. Scrugham of Nevada and Mayor Jim Rolph of San Francisco doing the honors....D. M. Linnard was manager of Tahoe Tavern....A fire on June 2 destroyed the barn and out buildings of the Russi Meat Market to the tune of \$5,000 damages....W. M. Englehart, of the 4th of July celebration committee, reports a great deal of interest in the parade and sports events....The railroad commission set a \$20 annual rate for water at Carnelian Bay for private residences and \$18 for hotels and resorts with an extra charge for each rentable room....An orchestra of 7 pieces will play for the Donner Lake Camp's summer dances....Oscar Schumacher was chancellor commander of the Knights of Pythias and Charlie Ocker was keeper of records and seal....the Donner Hotel was owned by Siri and Vernazza and C. E. Smith was the local Oldsmobile dealer.

TRUCKEE NOTES: I never noticed it before, but doesn't Foster Wilson look like his dad....CSEAers Tom Sheehan and Jack Wallace at Loynd's Fountain....Frances Weeden marked off another birthday on June 5 by a jaunt to Tahoe....Al Bradshaw's back is aching again....Rome Stark and Bud Zorich holding a committee meeting....another pair of look-alikes are Mrs. Ernie DeLisle and her mother....some one suggested that two excellent sources for column material would be Mary's Beauty Shop and the Wednesday Eightsome....the beautiful gladioli in the Truckee Public Market window really drew a lot of comment....about the loveliest thing I've seen was a blossom of the night blooming cereus which the Charlie Whites had Tuesday night; a member of the cactus family and native of Hawaii, the lovely bloom comes but once a year and lasts only until day-break....there's food for philosophy there but I haven't the space to develop it....Fire Chief Dolley's helmet could stand stretching, it only gives him token protection.

Just got time to look over the 1946 Chipmunk, the local high school's annual. Editor Kenneth Snider and his staff are to be highly commended for a splendid job. It really reflects talent and a lot of real hard work. My hat is off to you, boys and girls.

Earthshocks are more prevalent at night. An average of 10,000 golfers a month use San Francisco's municipal Harding Golf Course.

Laundry Tips...

You Should Have Two Laundry Lists...

Seldom are pieces of laundry lost when you keep a duplicate copy of your laundry list. It saves time and mis understandings between us.

Step Right Up and Try Our Laundry...

You'll agree that our laundry does the finest work, but after all, we're no cure-all. Don't let your clothes become oversoiled. They'll wear longer.

Put Them All In Their Places...

Sorting your clothes before our driver arrives saves time. Separate them as to color and material.

**Nevada County Debt Load Hits Staggering Amount**

The people of Nevada county owe \$36,647,688 of government debt, California Taxpayers' association said today, making public its state-wide study of government debt in California. Data for local debt are as of June 30, 1945.

As their share of the \$278,682,000,000 federal debt (December 31, 1945), the people of the county owe \$36,228,660. They owe \$22,000 in city debt; \$344,250 of school district indebtedness; and \$52,778 of special and assessment district bonds.

Thirty counties showed no county bonded indebtedness outstanding. Included were Nevada, Placer and Sierra counties. In six counties, no city indebtedness was shown and in three the school districts were found to be free of debt at June 30, 1945.

**Game Warden's Dog Is Killed Saturday Night**

Game Warden and Mrs. Bill LaMarr were saddened at the tragic death of their little dog, Nappy, who was killed Saturday night by another dog which invaded the LaMarr premises on the Truckee River.

The little dog, although not much larger than an ordinary house cat, was a gritty, faithful fellow and often accompanied the warden on his long treks into the back country. Last winter when an airplane crashed near here and LaMarr worked at rescue for 26 hours constantly, Nappy stayed right at his side despite the snow and blizzard.

It pays to advertise.

**Oakland Driver Clips Bus Driving on Wrong Side**

Arthur N. Anderson, 39, of Oakland was cited for driving on the wrong side of the highway after his car ran into the rear fender of a Pacific Greyhound bus near Hirschdale Monday night near midnight. No one was injured.

Both the car and the bus were traveling east. The bus passed a car just as Anderson was accused of cutting to the left. State Patrolman H. B. Fowler investigated.
